

Basketball is a fast-paced team sport played on a rectangular court. It emphasizes speed, coordination, and precision. The game was invented by Dr. James Naismith in 1891. Players score by shooting the ball through a hoop elevated ten feet above the ground. Key skills include dribbling, shooting, passing, and defensive positioning. Basketball is played professionally and recreationally worldwide. Basketball is a fast-paced team sport played on a rectangular court. It emphasizes speed, coordination, and precision.
